Dear OLL Supporter,

Oneida Little League believes in the power of youth baseball and softball to teach life lessons that build stronger communities and individuals. The 2021 Oneida Little League season was another year of continued commitment to developing skills both on and off the field for children in our community.

As a non-profit organization fully facilitated by volunteers, support from the community and local businesses are vital to the league's success. Sponsor donations last year helped us complete some much-needed improvements to our fields and facilities, as well as purchase uniforms and equipment for each of the teams.
